For individuals in their last four (4) years of employment. The parties agree that any TRS creditable compensation and/or benefit increases, whether under this contract or otherwise, shall not exceed the maximum amount which results in an employee's retirement annuity being fully funded by the Illinois Teacher Retirement System, without Board liability for any portion of the retirement annuity. This means that an employee's TRS creditable earnings (including but not limited to vertical and horizontal salary schedule movement, stipends, salary increases and retirement incentives), whether under the contract or otherwise, shall not increase from one school year to the next by more than 6% or otherwise be increased so as to create Board liability for any portion of the retirement annuity or result in any Board-paid penalty to TRS. In no event will the compensation and/or benefit increases exceed the threshold amount which triggers any obligation for the Board to pay additional amounts (in the form of a one-time payment or payments over time) to cover all or part of an employee's retirement annuity or cover any Board-paid penalty to TRS. Notwithstanding any contrary or other provision of this contract, including but not limited to any salary schedules, in the event an employee's TRS creditable earnings would increase by more than 6% in any given year of this contract, that employee shall only receive the maximum increase allowed under this provision. However, any money that is not captured because of this provision will be added to the succeeding year's salary, herein termed "carried over salary", provided that the carry over salary does not create a breach of this provision.

An attempt shall be made by the grievant and his/her immediately involved supervisors to resolve the problem through informal discussion. The Superintendent shall provide a response within five (5) days of the informal meeting. Should the response fail to satisfy the teacher, the teacher may request a second informal meeting within five (5) days of the response and have a local Association representative present at the informal process. The Superintendent shall provide a response within five (5) days of the meeting. If, however, the informal process fails to satisfy the

teacher or the Association, a grievance may be processed as follows:

B. FORMAL

Step I - The teacher or the Association shall present the grievance in writing within twenty (20) days of the alleged grievance, or within twenty (20) days of the time when (s)he could have been aware, specifying the article and clause alleged to have been violated and stating the remedy sought to the Superintendent, who will arrange for a meeting to take place with the grievant within ten (10) days after the receipt of the grievance. The Superintendent shall render a written response within fifteen (15) days of the receipt.

Step II - Within ten (10) days of receipt of the Superintendent's decision, if the grievant is not satisfied with the disposition of the grievance at Step I, the grievant may submit the grievance in writing to the Board for its review and decision. The Board shall, at the next regularly scheduled meeting, render a written decision in regards to the grievance.

Step III - If the Association is not satisfied with the response of the Board in Step II, or if time limits or the Board's written reply expire, the Association shall have a maximum of thirty (30) days to submit the grievance to final and binding arbitration. The American Arbitration Association shall act as the administration of the proceedings, which shall be conducted under its rules.

- a. Neither the Board nor the Association shall be permitted to assert any grounds or evidence before the arbitrator which has not previously been disclosed to the other party.
- b. The arbitrator, in his opinion, shall not amend, modify, nullify, ignore, or add to the provisions of this Agreement. His authority shall be strictly limited to deciding only the issues presented to him in writing by the Board and the Association, and his decision must be based only upon his interpretation of the meaning or application of the express relevant language of the Agreement.
- c. Each party shall bear the full costs for its representation in the grievance procedure.
- d. If either party requests a transcript of the proceedings, that party shall bear the costs for that transcript. If both parties order a transcript the costs of the two transcripts shall be divided equally between the Board and the Association.
- e. Each party shall share equally the cost of the arbitrator and the AAA.

8.5 Class Grievance

Class grievance involving one or more teachers and grievances involving an administrator may be initially filed by the Association at Step I.

8.6 No Reprisals Clause

No reprisals shall be taken by the Board or the administration against any teacher because of the teacher's

participation in a grievance.

8.7 Released Time

Should the arbitrator require the presence of a teacher during an arbitration hearing, the teacher and his/her Association representative, if requested, shall be allowed to be present without the loss of pay or benefits at times specified by the arbitrator. No more than one Association representative shall be excused without loss of pay or benefits at any given time during an arbitration hearing, except with prior consent of the Superintendent.

8.8 Filing of Materials

All records related to a grievance shall be filed separately from the personnel files of the teachers.

8.9 Grievance Investigation

Any investigation, handling, or processing of any grievance by the grievant shall be conducted so that instructional programs and related work activities of the grievant or the teaching staff are not interrupted.

ARTICLE IX - DURATION OF AGREEMENT

9.1 Strikes

9.2 Length of Agreement

This Agreement shall be in full force and effect from September 1, 2023 and shall continue until midnight, August 31, 2026.

9.3 Complete Understanding

The terms and conditions set forth in this Agreement represent the full and complete understanding between the parties. These terms and conditions may be modified only through written mutual consent of both parties.

9.4 Savings Clause

Should any article, section, or clause of this Agreement be declared illegal by a court of competent jurisdiction, then that article, section, or clause shall be deleted from this Agreement to the extent that it violates the law. The remaining articles, sections, and clauses shall remain in full force and effect for the duration of this Agreement.
